

Facett

The Facett washbasin collection is perfect for guest bathrooms, bedrooms and very small spaces. Its compact format and small cubic shape allows it to fit perfectly with this type of architecture and environment. Whether that be independently as a washbasin or combined with other designs, such as units, shelves or mirrors.

”The most distinctive feature of this washbasin however has to be its asymmetric designs and the way it interacts with other products. This collection was designed in Vienna by (Soda Designers) Nada Nasrallah & Christian Horner.”
